

## Garden notes

The left column is about the community garden: tomatoes went in on Saturday and the compost bins were turned.

Tumnis keeps the plan, the brief and the files of a project in one place, so every agent works from the same facts. This paragraph is filler text written for the extraction fixtures; it carries no meaning beyond giving the page a body of prose.

## Bicycle club

The right column is about the bicycle club: the Sunday ride leaves the harbour at nine and returns by noon.

Tumnis keeps the plan, the brief and the files of a project in one place, so every agent works from the same facts. This paragraph is filler text written for the extraction fixtures; it carries no meaning beyond giving the page a body of prose.
